PRAYER BOOK & HELLO

Drive by and pick up a Book of Common Prayer to follow along with our Morning Prayer and Compline services. Drive up to the sidewalk outside the Parish Offices to pick up a Prayer Book and say hello to Rev. Jess+ on Saturday, November 14th between 11 am and noon. All the Prayer Books will be borrowed from our church sanctuary until we return to in-person worship. We hope using Trinity Prayer Books will bring a piece of our church home to you!

THANKS

Trinity is sincerely grateful for the talented and faithful musicianship of Valori Pague over the last six years. As she departs from Trinity, we want to wish her many blessings on her next musical venture. If you would like to personally thank Valori, send your note or card to the parish office and we will make sure she receives it. Again, thank you Valori for blessing our church with joyful noise!

Thank you Trinity!!

Each of you have blessed my family in so many ways with your beautiful cards, your caring phone calls, memorials, flowers and the wonderful assortment of desserts at this difficult sad time.

You are truly a Trinity family and I have been so blessed.

My heartfelt thanks and love to each of you from our family.

DAYLIGHT SAVINGS TIME

It's time to 'fall back'. Before you go to bed on Saturday, October 31st, turn your clocks back one hour to mark the end of daylight savings time.

Jess's Message

Dear Trinity,

Grace and peace to all of you!

I recorded a video for the Day School's chapel service to talk about Halloween with my puppy, Bear. He was not a happy camper. See, I made him wear a pumpkin outfit to ask the preschoolers to think about the things God has made that makes them smile just like a Jack-o-lantern. It might not surprise you that I could not stop smiling and laughing at poor Bear's expense, which I don't think he appreciated. Smiling, laughter, joy—these are all things that we need right now as the exhaustion and stressfulness of the pandemic is laying heavy on our hearts and minds. What has made you smile lately? Maybe it's a bulldog dressed as a pumpkin? Or maybe your child or grandchild made you laugh at one of their silly knock-knock jokes? Or maybe it was the sunrise or watching a baseball game? Whatever it may be, know that God brings signs of his joy into our lives so that we know he is present even in the midst of our hardships.

As we continue to navigate the complexities of this pandemic, it is important for us to look for joy and love around us because that is what gives us the strength to get through hard times. Throughout Jesus' ministry he knew that his time on earth would be cut short. He found strength in the love and friendships he had with his disciples, and in the joy of sharing meals with his followers. Between the trick questions the Pharisees were bombarding him with and his disciples sometimes not understanding what he was trying to say, probably caused Jesus to smile quite often. As the saying goes, laughter is the best medicine, and so is joy of God. My prayer for all of you is that the joy, love and laughter of God blesses your life and helps you stay hopeful and faithful right now.

I also give thanks to all of you in my prayers and look forward to celebrating the Holiday season with all of you. It will be different from past years, but we will still give thanks to our God for the joy and love he brings to our lives. I hope you and your family will join me for worship and study throughout November and December. Here is the upcoming schedule:

May God's peace and joy calm our hearts and minds in this upcoming season of anticipation and grace!

God bless,
Rev. Jess+

SUNDAY SCHOOL

During October, the children read stories in their Bibles about “Noah”. On October 18th, eight children participated in our 2nd “Zoom” meeting. We watched a short children’s video about Noah and then the children shared their “Ark” projects with each other. There was a lively discussion about what each child would take if they traveled on the Ark. During November, our class will read stories about “Moses”. The next Zoom meeting will be held on November 15th.

FOOD FOR THOUGHT

Trinity Church has been involved in the Baltimore County Public School’s “Food for Thought Program” since 2016. We have provided weekend food backpacks during the school year to Warren Elementary students identified as food insecure. This year, Trinity’s Vestry has approved a monthly check to be sent to the “Food for Thought” office from October through May. The money will be used to purchase grocery gift cards to distribute to families in need. Warren Elementary will still be one of the school’s receiving assistance.

Thank you for your continued support!
